AJAY KRISHNAN K

FRONT END DEVELOPER

Seasoned professional with 4 years of the combined expertise in Web Development and Customer Support Executive roles. Proficient in HTML, CSS, and JavaScript for web development. Experienced in customer support operations, adept at inquiry management and tailoring solutions to meet client needs. Skilled in tools such as Photoshop, Illustrator, InDesign, Veeva CRM, Salesforce, and eWizard. Specializes in WordPress, SEO strategies, and continuously enhancing ReactJS skills for comprehensive solutions.

EXPERIENCE HISTORY

FRONT-END DEVELOPER
Hogarth World Wide, Chennai   2023 - PRESENT

- I create exceptional client experiences using JavaScript, HTML/CSS, and SASS (CSS preprocessor),
- Created e-detailers, e-mailers, and newsletters for Bayer clients using eWizard. My work involves creating reusable templates and components for eWizard, focusing on careful coding and attention to detail to provide excellent client experiences.

WEB DEVELOPER
Riyadvi Software Technologies Pvt Ltd   2021 - 2023

- Provide clients with customized WordPress solutions which meet specific client requirements and enhance user experience using WordPress, HTML5, CSS, JavaScript, and Bootstrap.
- Optimize website visibility with SEO best practices while surpassing project deadlines and client expectations through effective team collaboration.

CUSTOMER SUPPORT EXECUTIVE
Springbord Systems Pvt Ltd   2019 - 2021

- Maintained accurate sports scores and communicated effectively with clients at BWIN. Proficient in operating scoreboards and collaborating in a detail-oriented team environment

PROJECTS

ANIMEFLIX (React Application)

Name : https://ajflix.web.app/

Developed AnimeFlix, a React-based anime content platform emulating Netflix's UI. Integrated Firebase for secure authentication, hosting, and a user-friendly interface resembling Netflix for seamless interaction.

Technologies Used:
Frontend: **React.js**
Backend and Hosting: **Firebase**
